RECTOR'S MESSAGE

Dear prospective students, esteemed parents and guests, on behalf of Kyrgyz State University named after I Arabeav I personally as a director, I extend my warmest greeting and a heartfelt welcome to you. This year, our university celebrates its eightieth anniversary. Founded in nineteen forty-five, it has evolved from pedagogical college into one of the leading universities in the country. I invite you to apply to our faculty of medicine. We offer modern educational in the field of general medicine. Both for those with a general secondary education and those with vocational secondary education. The duration of study is five or six years depending on your background. Our goal is to provide high quality education and to train true professionals ready for World Medical Practice and the challenges of the twenty-first century health care. We have a strong teaching staff, modern labs, clinical trainings and international support. If you aspire to become a doctor receive education that meets global standards and contribute to the health of the society. Welcome to the faculty of medicine at state university named after I Arabeav.

Why Choose Kyrgyz State University?

Experience the perfect fusion of tradition and modernity in one of Central Asia's safest and most welcoming destinations—often called the “Switzerland of Central Asia” for its breathtaking mountains, clean air, and rich cultural heritage.

✓ NMC Approved

Our MBBS degree is fully recognized by the National Medical Commission (NMC), empowering Indian graduates to pursue FMGE/NExT and practice in India with confidence.

✓ Listed in WDOMS

Globally acknowledged in the World Directory of Medical Schools (WDOMS), ensuring international validity and career mobility.

✓ English Medium Program

Seamless learning in English, eliminating language barriers for international students.

✓ Separate Hostels for Girls and Boys

Six modern hostels (three on-campus) with secure, comfortable accommodations prioritizing safety, especially for female students.

✓ Government University Ensures Zero Scams

As a top-ranked public institution under the Ministry of Health and Education of Kyrgyzstan, we prioritize transparency, safety, and ethical standards.

✓ Hands-On Learning Through Internship at Hospital

Gain real-world experience in affiliated Bishkek hospitals from your early years, culminating in a full-year internship for clinical mastery.

✓ Located in the Heart of Bishkek

Centrally positioned for easy access to urban amenities, transportation, and cultural hotspots like Ala-Too Square and Osh Bazaar.

✓ End-to-End Support for Students Living Abroad

From airport pickup and visa extensions to medical checkups and emotional guidance—our team ensures a smooth transition away from home.
